Carlton footballers put students through their paces

On Monday 6th June, players from the Carlton Football Club ran a 1 hour footy session for students from our school and other local primary schools. Students rotated through goal kicking, handballing, tackling and bumping activities. Our students that were able to participate seemed to really enjoy themselves. Bring on the next clinic we say!  

Tom Cannon
This term the students of Room 3 have been working hard on their kitchen skills. Each week a student from the class has picked a meal for lunch and a sweet for afternoon tea. We have had the opportunity to make various things such as roast pork or chicken, spaghetti bolognaise, nachos, cakes, slices and many more things. In this program students are learning about fresh food, working on their measuring skills, reading and following directions and their social skills when we sit down to eat the meals together. Well done guys you have been doing a great job.

No Awards This Week Due To Queen’s Birthday Public Holiday

SGSS Breakfast Club

Our school is participating in the School Breakfast Clubs Program. This will run every morning from 9 am. All students are welcome.

The Victorian Government has partnered with Foodbank Victoria to help ensure that all kids have a healthy and nutritious start to the day. Foodbank Victoria will now be delivering regular free breakfast food to support our school breakfast club.

There are many reasons why students may need regular breakfast or occasional breakfast at school. Sometimes students may be unwilling to eat first thing in the morning, perhaps they are hungry again after a long bus trip or they may prefer the social context of the breakfast club. Whatever the reason all students are welcome. Our school breakfast club aims to make sure all students have the best start to the day. The food provided includes Wheat Biscuits, Oats, Milk, Baked Beans and tinned fruit in natural juice.

We want to ensure students start the day with a healthy meal, to improve concentration and to help students make friends and strong social connections.

Victorian Schools Garden Awards - Hooray!!

We were successful in a submission for $500 towards extending our sensory gardens. We will start planting in spring and look forward to a beautiful garden in coming seasons. Happy gardening.

Dear Parents and Carers,

Another busy week at South Gippsland Specialist School. Staff have almost finished proof reading their reports which will be posted home next week. If you require a second report, please contact the office and they will arrange this for you.

**Term 3 events**
In Term 3 we have a number of exciting events coming up.
- **July 22nd** - Curriculum day. No students at school.
- **August 25th** - Book Week Dress Up Day
- **September 9th** - School Concert followed by a light lunch.
- **September 16th** - End of Term 3

**Room 1 Excursion**
Next week will be room 1 students end of term excursion. They will be going to Warragul Arts Centre to see a theatre production called Hippo Hippo. It is based on the book called “There’s a Hippopotamus on my roof eating cake”. It is really wonderful to see the growth in our Junior room students who are now able to sit still for longer periods of time, waiting longer, taking turns and being more engaged with their peers. No better way to celebrate this by going on an excursion.

**Horse Riding**
Room 3 students will be doing horse riding next term. Final details are currently being arranged so I hope we will be riding by Week 4 or 5. For those wonderful parents who offered to volunteer, there will be a meeting held early next term to discuss the program outline. Families will be informed of fee costs for this extra curricular program at the start of term.

**SSG Meetings**
Term 3 is the second round of our Student Support Group Meetings. Families will be contacted by teachers within the first week back to arrange a meeting to discuss your child’s progress. This is a vital time for parents/carers to be involved in your child’s educational goals and express any concerns you have about your child’s programs. Teachers will attempt to make a meeting on three occasions. If parents/carers have not accepted the opportunity to meet after the third attempt, then the meeting occurs without parent involvement. We encourage all families to be involved in this process.

**June 24th—End of term 2**
Reminder that next week is the end of term and we finish one hour earlier at 2pm. School resumes for Term 3 on Monday July 11th.

Have a great weekend.
