MORE PEOPLE = MORE MONEY
Last week the students from room 3 and 5 joined up to go on camp to Tidal River, Wilsons Promontory. Everyone had the choice to stay either in the cabin or in tents. It was a wonderful opportunity for many to show their independence, with 3 choosing to sleep by themselves and 2 sharing a tent.

On the first day there, students split up with some going fishing, while another group climbed up Mount Oberon. This was a great effort by those who chose the climb, as they headed off from our lodge and walked all the way up. We had to climb right to the very top of Mt Oberon, while the others stopped at the car park ¾ of the way up.

The fishermen caught a couple of fish they could keep and eat. Many of the others had to be released as they were either too small or wouldn’t have been eaten.

At night they enjoyed either staying inside playing games, or looking for possums and wombats or playing spotlight tiggy.

The second day saw the fishermen out again in the morning for a catch and release, while the other kids wandered down around the river and had a splash. In the afternoon we decided to walk over to Squeaky Beach, where they had a play in the sea and explored around the rocks.

Everyone had a wonderful time on camp and it was great to see so many students stepping up and participating in activities they would not normally do, as well as taking charge of their independence. Well done everyone, you did a wonderful job.

Words From The Office

Another busy week for our students at South Gippsland Specialist School. There are some really exciting opportunities coming up for our students.

**Horse Riding**
I am currently in the process of trying to get Horse Riding up and running. This is a fantastic program that our students have accessed in the past. I have been in contact with a lady who runs a program in Nyora. As more information comes about, I will inform families of this program.

**Basketball**
Over the holidays, teacher, Tom Cannon and his Dad, installed a new basketball ring in our school grounds. It has proved to be a huge success, with our students enjoying playing basketball at recess and lunchtimes.

**Congratulations**
Lucy, from Room 5, has accepted the challenge of attempting her VCAL certificate through Federation Uni’s “Paddock to Plate” program. Lucy will be studying Certificate III in Hospitality, and then working in the Universities restaurant. We will be supporting Lucy by having a staff member help her with her theory work. Well done Lucy.

**Fundraising Event for our School**
Korumburra Rotary contacted me yesterday and informed me that they are holding a special presentation night and all funds raised will be donated to our school. Please let friends and family know of this great event and encourage them to attend. The guest speaker is Emmanuel Kelly who’s story is an inspiration to all. See the front page of this weeks newsletter.

**Mothers Day Gifts**
On Friday May 6th, could all students bring in $5 to choose the Mothers Day gifts that the Parents and Friends Club have purchased for their fundraising campaign. For those students who have Carers, similar gifts will be available.
