Words From The Office

This term has flown by so quickly. I hope that everyone has a safe and happy holidays and we look forward to seeing all our students and families on Monday April 11th.

Hot Cross Buns.
Room 3 students made Hot Cross Buns for their class. They did an excellent job.

Accident Insurance
I would like to remind all families that the Education Department’s public liability insurance does not cover student accidents. School councils make the decision as to whether the school takes out whole school accident insurance. Our school council has not made that decision so it is up to parents/carers to take out their own insurance cover if they wish to. Students bringing personal property into schools such as their own ipads, ipods or phones are responsible for them as the school does not have insurance to cover accidental damage.

Personalised Learning Plans (PLP’s)
Student PLP’s will be sent home at the start of term 2. Parents/Carers are asked to read over them and then sign them if they are happy with the goals set for their child.

Have a happy and safe Easter, don’t eat too much chocolate and recharge those batteries for a busy term 2. Thank you to all our families for the commitment to their child’s education.

TOGETHER WE GROW as a school community.
