Room 4 had a terrific time at Licola last week. We stayed at the Lions Village for 2 nights. The students all had a great time and tried lots of new activities. Canoeing, archery, the flying fox, giant swing, trampolines and mini golf were all a huge hit. It was great to see the students give new activities a go. Sam enjoyed canoeing and archery. Marcus had a great time canoeing and trying the giant swing. Matt enjoyed having lots of space to run. Tom enjoyed the trampolines and mini golf. Alex had a great time trying archery and helped with the giant swing and flying fox. Matherson enjoyed all the activities and was fearless on the flying fox. Well done guys, you all did a great job!

TRIVIA NIGHT
Words From The Office

What a lovely way to end the week with this beautiful sunshine. The wild weather we experienced on Tuesday certainly made a mess of the school grounds. Thanks to room 5 students for helping to tidy up.

Volunteers Needed for Horse Riding Program
At present, I have 4 people who have registered as Volunteers for the horse rising program. I need at least 2 more in order for the program to run. Please let the office know if you are interested or know of anyone in the community that may be interested. The school will provide transport to the venue. The program will run on either a Monday/Tuesday/Wednesday.

NO VOLUNTEERS – NO HORSE RIDING

Camp
Congratulations to Room 4 students who were terrific on Camp. The school is very lucky to have such enthusiastic staff who enjoy taking our students on camp. The Camps provide much needed respite for our families. The Camps are heavily subsidised by the Advance Grant we receive from the state government to run the Duke of Ed Program.
