# Token Winners!

## WELL DONE

Leo, Seven, Xander, Riley, Heidi, Sam, Mitch, Tyler, Aylah, Jaylen, Teaniesha, James, Ryder and Byron.

# Respectful Relationships

This year our school will be collaborating with all of the schools on the precinct to strengthen our Respectful Relationships.

Respectful Relationships is a Department initiative that promotes respect, positive attitudes and behaviours. Everyone in our community deserves to be respected, valued and treated equally. We know that changes in attitudes and behaviours can be achieved when positive attitudes, behaviours and equality are embedded in our education settings.

Respectful Relationships is about embedding a culture of respect and equality across our entire community, from our classrooms to staffrooms, sporting fields, fetes and social events. This approach leads to positive impacts on student's academic outcomes, their mental health, classroom behaviour, and relationships between teachers and students.

Together, we can lead the way in saying yes to respect and equality, and creating genuine and lasting change so that every child has the opportunity to achieve their full potential.
