

Last week Room 9 students did another industry visit as a part of the work experience program. They went to an egg farm in Koonwarra to find out about the free range egg industry. The students had a great time talking all things eggs with the farm owner.

Words from the Office

Dear Parents and Carers,

Thank you to all our families for being so accommodating with the circuit breaker lockdown announcement yesterday. I understand how frustrating this can be for many families but this is a very important move by the Health Department in order to regain control over this virus outbreak. Communication from the Department of Education did not come in to Principals until 7pm last night which did not give families much time to adjust to the forthcoming pupil free day. Again, I thank you for your understanding with the important decision.

REMOTE LEARNING NEXT WEEK

Mapbook tubs will not be sent home next week as per an agreement between our School Council President and the school. Teachers will engage with their students through the Google Classroom Platform. Teachers will be in touch with families to discuss allocated time slots. Ipads will be sent home on Monday via the bus network or delivered by us. Please keep an eye out on Compass and/or our Facebook page for more information. New students to our school this year will be allocated a gmail account in order to access the google classroom platform.

ATTENDANCE ON SITE

Next week, as per the DET directive, the only students who are to be onsite are those considered vulnerable (children in Foster Care) and those children of essential workers only (if **both** parents are essential workers). Please note: this is a directive from the Health Department.

If you are unsure if you meet the criteria, please contact the Office to discuss. Please do not send in your child unless it has been approved by the Principal. This is to ensure that there is adequate supervision on site as most staff will be working from home.

FACE MASKS

The Health Department directive is that masks are to be worn at all times, inside and out, unless our teachers are teaching face to face. This applies to all persons entering our school.

FREE DRESS DAY/SAUSAGE SIZZLE FUNDRAISER

Due to the current situation, this event will be postponed until further notice.

EDUCATION WEEK LUNCHEON

Well done to Room 9 and 10 students who supported the parent luncheon yesterday by cooking and serving the lovely meal that was enjoyed by 11 parents/carers. They had pumpkin soup, quiche with roast vegetables and carrot cake. Well Done.

SCHOOL PHOTOS

School photos have come back yesterday. If any families forgot to send in an envelope you can still order them. Just ask Lois for an envelope and Foon's have them as a digital copy at their store.

LIFE ED VISIT

Unfortunately the Life Ed visit scheduled for next week has now been postponed until next term.
