# What's happening around school

# What's happening around school

# Words from the Office

Dear Parents and Carers,

Wow. What a big term this one was. Well done to all our students who have worked hard during the term. Also a big thank you to our staff who are now off to have a well earned break.

## TERM 3

Term 3 is the start of the UV index coming up so students will need to wear a hat if the UV index goes above 3. If your child does not have a hat please order one through the office.

## LEARNER'S PROGRAM

Together with the LLEN, the school has secured funding to run a learner's permit program for students with a disability across Bass Coast and South Gippsland Shire. This program will run in term 4 one session a week. We are very excited to be working so closely with the LLEN.

## BUS POLICY

Students travelling on the student transport bus network have a responsibility to adhere to the bus rules. Families are asked to remind their children that travelling on the school buses is a privilege and it comes with responsibilities. Once the school receives a number of notices of concern, students are suspended from travelling on the bus for a period of time.

## REPORTS

School reports will be posted home next week.

## DENTAL VAN

The Australian Dental service Van will be visiting on August 16th. If you have not returned your form please remember to do so asap. Spare forms are located in the office.

## COVID RESTRICTIONS

With further restriction being eased this week, we can have more people on site. There is still a density limit in the front foyer. SSG's will be running in week 2 of term 3 so parents are asked to come to these but with masks on.

Heather Braden  
Principal

**Have a great break!**
