# Words from the Office

Dear Parents and Carers,

We welcomed back students from Room 9 this week on Tuesday and Wednesday. It was great to see them and they settled in really well back to school.

## ATTENDING ONSITE

As of Monday October 18th, no staff, volunteers, contractors or visitors are able to attend onsite unless they are able to show their vaccination certificate. This also applies to any NDIS therapists or support workers and to any parents who are coming into the school to do school council, parents and friends or volunteer work.

## MENTAL HEALTH MENU

It was great to hear the announcement of \$200 Million dollars for mental health resources for Victorian Schools yesterday. Inner Gippsland Schools will be in the first round of eligible schools commencing Term 3 of 2022.

## SILENT AUCTION ART WORK

Students are starting to work on their pieces for the forthcoming Silent Auction. Parents and friends are still trying to work out how families can put in their bids.

## HEALTHY FOODS

The school has a Healthy foods policy and would like for families, wherever possible, to try and put only healthy foods into their child's lunchbox. Please do not allow children to bring in soft drinks, lollies or energy drinks.

## FRONT ENTRANCE

Just a reminder for families to not congregate on the roundabout as this is where our school buses drive through. Thank you in anticipation.

## WORK EXPERIENCE

This week our senior students have been working super hard around the school doing a variety of jobs. Yesterday students planted 136 trees, unloaded the Breakfast club pallet, transferred 80 unit boxes from one resource room to another and mulched a section of the junior yard. Well done to this hardworking group of Nenita, Skye, Saxon, Thomas, Jay, Nathan, Tyler, Will, Marcus, Louis, Byron, and Kara.

## GOODBYE

We say Goodbye to Letyshya from Room 10. We wish her all the best with her future endeavours. She will be sadly missed by all our staff and students especially for her hard work in the office.
