CHRISTMAS RAFFLE DONATIONS

Keep those donations coming in for our annual Christmas Raffle. Thank you to all those who have already donated.

LIFE EDUCATION VISIT

Today we had the Life Education visit our school. The entire school attended a special session tailored to their needs. Room 1,2, 3 had "My body Matters" where the students were taught about things the children can do to keep themselves healthy. Room 4 /5/8 had "All systems go" where the students learnt about the human body and how to keep the vital organs healthy. Room 9 and 10 students and some middle years boys had "Think Twice" where the students explored concepts such as the effect alcohol has on the body systems, myths and facts about alcohol. The students thoroughly enjoyed the experience and were all very engaged.

PARENT PAYMENT LETTERS

Parent contributions for 2022 will be finalised on Monday in school council and then letters will be sent home for Parent information. Parent payments are a vital contribution to the schools budget as it allows us to fund exciting programs as a part of our curriculum.

CORONA VIRUS PRECAUTIONS

As you would all be aware, corona virus cases are popping up in schools across the state. It is vital that we minimise the risks to our students by parents/carers being vigilant about keeping their children at home if they have any symptoms and get their child tested. Once the children receive a negative test they are welcome to come back to school. For the same reason, if a child becomes unwell whilst at school, families will be asked to come and pick up their child as soon as possible. Thanking all our families in advance.

SILENT AUCTION ART PIECES

The Arts pieces the classes have done are absolutely fantastic and thank you to Kate Lafferty for offering to photograph them for the auction. Tell all your family and friends to keep an eye out on facebook for when it goes live. Well done to all the students for participating.
