RECIPE OF THE WEEK

4 Method Steps

Step 1

Cook pasta in a large saucepan of boiling salted water, following packet directions, until just tender.

Step 2

Meanwhile, lightly spray a frying pan with oil. Heat over medium heat. Add bacon and onion. Cook, stirring, for 3 to 4 minutes, or until golden.

Step 3

Drain pasta and return immediately to hot saucepan. Whisk eggs in a jug with a fork. Add to hot pasta. Stir quickly to coat pasta.

Step 4

Add bacon mixture, parmesan, parsley, and salt and pepper to pasta. Toss over low heat for 1 to 2 minutes, or until heated through. Serve immediately.

7 Ingredients

- ⊕ 400g fettuccine or spaghetti
- ⊕ olive oil cooking spray
- ⊕ 150g rindless shortcut bacon, thinly sliced
- ⊕ 1 large brown onion, finely chopped
- ⊕ 3 eggs
- ⊕ 50g parmesan cheese, finely grated
- ⊕ 2 tbsp flat-leaf parsley, chopped

Words from the Office

Dear Parents and Carers,

Students have had another great week with so many of our students participating really hard in class.

WORK EXPERIENCE

On Thursdays and Fridays students from room 8/9/10 undertake their work experience program. Some students have community placements at a Cattery, child care Centre and Hairdresser. Those students not old enough for community work experience undertake in school work experience. The students have a range of jobs from helping in Room 1, attending to the community garden, writing the school newsletter, to running the coffee club and staff lunch orders. In term 2 the students will start making lunch orders for the classrooms. Other students on these days are undertaking a school based Traineeship in Horticulture. GREAT WORK PEOPLE.

VACCINATION POP UP CLINIC

The next in school clinic is on Wednesday March 30th from 1.30—2.30pm. Any 5—11 year olds and their siblings can be vaccinated. Please fill out the consent form placed on COMPASS and send through to the office. Make the most of this convenience on your doorstep.

RA TESTING

The RaTest will continue to be sent home next week. It is important that all families at least attempt to test their children a minimum of twice a week—Mondays and Thursday. Whilst we have only had two positive cases in the school, neither persons were at school whilst infectious. We have had a number of primary close contacts who have had to isolate. The school continues to put in place COVID safe practices such as frequent hand washing, air purifiers and wearing of masks when we cant socially distance.

POSITIVE START FREE HOLIDAY CAMPS

In the coming weeks all families will receive a letter expressing interest for your child to attend a free holiday camp as part of the Positive Start Initiative. All of our students meet the eligibility criteria so when the information comes though we will pass it on to our families. For more information look up Positive Start on <https://www.vic.gov.au/positive-start-holiday-camps>.
