

# Recess Friendship Group

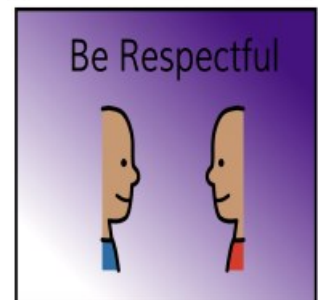

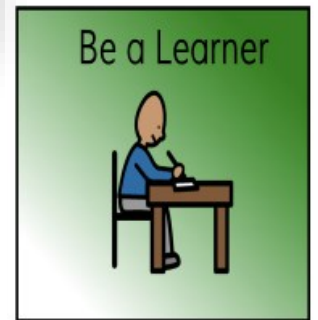

We stayed nice and warm in Room 3 today and used play dough to help show different emotions.

Next weeks social group we will be doing some gardening ☐ adding some greenery to the Room 3 courtyard If anyone has any seedlings they would be happy to donate it would be greatly appreciated.

As always, everyone is welcome.

# Words from the Office

Dear Parents and Carers,

Thank you for your patience over the last month whilst our front entrance was being remodelled. It is almost complete with the railings yet to be put on. The bus shelter is now back in use so all students will not be entering the school via the front entrance.

## SURVEYS

Last week we sent home surveys for families to complete and return as soon as possible so we can find out what our families think of our school grounds and how best to use the money allocated to us in the State Budget. We want to hear what you have to say.

## EDUCATION WEEK LUNCHEON

This Friday is our annual Education Week Celebration with a light lunch on offer on Friday. Any interested Parents/Carers are invited to attend. Parents/Carers are invited to arrive at 11am to spend some time in their child's classroom to look at their work and then come to the kitchen at 12pm for a delicious lunch served by Room 9/10 students. Please RSVP through the Office this week.

## GIPPSLAND TECH SCHOOL

We had Gippsland Tech School coming in today for Room 7 students to try virtual reality equipment. The students find these sessions extremely engaging.

## ILLNESS

Over the last few weeks we have been experiencing a significant amount of cold and flu symptoms across the school both in staff and students. It is really important for our families to keep sick children at home whilst they have coughs and running noses so that we minimise the spread of these viruses.

## INCURSIONS COMING UP

We have 2 incursion coming this Term—Paper Planes—a performing arts show which is free because of the positive start initiative and the Life Education Van will also be visiting this Term.

## PARENTS AND FRIENDS CLUB

The Parents and Friends Club are calling for volunteers to be a part of the club. The club raises money for the school and has a current membership of three. If you can spare a few hours once a month then we need you. It is also a great way of meeting other parents. Please contact the Office if you are interested.

## UNIFORMS

Please contact Jodie if you require more uniforms for your child. We are able to get it free through State Schools Relief for families experiencing financial hardships.
