# Words from the Office

Dear Parents and Carers,

The Victorian Government is investing record funding in our schools to make Victoria the Education State and give every student access a great local school and education.

Our school has been allocated 3.638 Million Dollars in the 22/23 Victorian State Budget. This funding will help our school to upgrade our current facilities and to create better learning and play spaces for our students.

We will work closely with the School Council and the Victorian School Building Authority (VSBA) to deliver an outcome that will benefit the entire community.

To prepare for the upgrade, we will complete an Asset Management Plan over the next 11 weeks. The AMP is a long-term document that helps to plan for a school's future. The plan identifies, organises and prioritises the building works required at a school – ensuring students have access to educational facilities that prepare them to thrive in the 21st century. We will be sharing updates on this and will be running some sessions to gather input from our teachers and staff as well as parents/carers. We will also involve our students to listen to their unique and important perspective.

We will share further details about these community information sessions closer to the time and invite you to participate.

We will also keep you informed through regular newsletter updates as the project progresses.

For further information please contact Heather Braden on 5662 4496.

## MOTHERS DAY STALL

A big thank you to Michelle Boyle for organising the Mothers Day Stall. The students enjoyed picking presents for their Mother. We hope that all the mothers got spoilt on Sunday.

## PERSONALISED LEARNING SUPPORT PLANS

This week and next week our students PLSP's are being sent home. Please take the time to read them and sign the back page and send them back.

## ROOM 3 CAMP

Room 3 students really enjoyed their camp at Blackwood Outdoor Education Centre. It was great to see that Aylah was able to actively participate in everything on offer. Thank you to Nat, Sharmian and Barry for taking them away.

**Have a great weekend.**
