# Words from the Office

Dear Parents and Carers,

A big thank you to Tania Pell for being in charge whilst I was on leave last week. It was nice to have the students and staff welcome me back.

## PHOTOS

Kate Lafferty has been around the school this week taking wonderful photos of our staff and students. They are absolutely gorgeous photos and families can view and purchase the photos through Kate's website. Families will receive a link from Kate when they are ready. Families will then be able to pick a pack and pay Kate directly through the website.

## PIE FUNDRAISER

We are hoping that all our families will purchase some of the pie packs to support the Parents and Friends Fundraising efforts. Office needs the orders in by August 10th please.

## ILLNESS

The last two weeks have been pretty hectic with unwell staff and students. Could families please remember to inform the school via the Office if their child tests positive so the school can manage the risks. Any unwell students presenting with symptoms will be asked to be picked up. We have experienced staff shortages this week due to being unable to replace staff which can impact on classes. We thank our families for their flexibility this week.

## ALL ABILITIES EISTEDDFORD DANCE PRESENTATION

Tomorrow morning after 9am, the South Gippsland Dance Eisteddford will be hosting an Under 18 all abilities dance presentation if families are interested in coming for a look. We have some of our students and their families involved. There will also be food vans available. Come and have a look.

## WORK EXPERIENCE

If any families have business contacts who are happy to take on our students as work experience placements please let Rebecca know, teacher in Room 9. We currently have a number of students who have just turned 15 and are looking for places for work experience.

## CANTEEN ORDERS

Please ensure that orders for the canteen are placed through the Office by Wednesday morning so the group can adequately cater for the school.

## COMPASS

Compass is our main form of communication so if you do not have access to the app, please contact Sam at the Office to help get you set up.
