

# South Gippsland Specialist School Strategic Plan 2020 - 2023

## **1. Maximise student learning growth in literacy and numeracy.**

KIS: Build leadership capacity across the school to effectively utilise resources to support change  
KIS: Build a culture of teacher collaboration through the implementation of evidence based Professional Learning Communities  
KIS: Develop, document and implement a guaranteed and viable curriculum.

## **2. Improve student engagement and motivation in learning.**

KIS: Develop and embed an agreed and consistent instructional practice across all areas of the curriculum  
KIS: Increase opportunities for student voice, agency and leadership across the school  
KIS: Embed Personalised Learning Support Plans that cater for growth of all students at their point of need.

## **3. Improve the personal and social capabilities of each student**

KIS: Develop community partnerships to support and promote student growth and independence  
KIS: Improve parent and carer participation in their child's learning and development, including enhanced communication.
