

Room 3 Healesville Sanctuary

Room 3 had a wonderful day at Healesville Sanctuary last Monday. The weather was perfect and it was 'the best day ever' apparently. They all got given a card with different animals to find throughout the day. They loved getting stamps on their card as they found each one and once they had found them all they got to choose a prize. The other highlight was the bird show. It was great because it was pretty much running all day. We went to one show and they all wanted to go back again so we went back after lunch and got a different show the second time. These birds were even more impressive including the gigantic wedge tailed eagle and some beautiful parrots. The airbrush tattoos were a hit too as well as the tassie devils, reptiles and dingos. It was a great day out!

Frankenstein Halloween Toast Makes 4 serves

Ingredients:

4 pieces of bread, of your choice

1 small tomato

Small block of Danish feta for neck bolts

1 large sheet of toasted dried seaweed or 2 -4 small sheets

Several slithered almonds for the nose (or extra olives)

1 ripe avocado

4 pitted black olive slices

Salt and pepper to taste

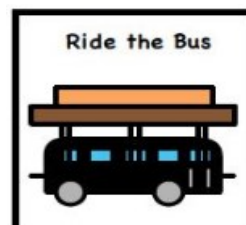

Method:

1. Toast bread.
2. Cut the seaweed into zig zags to look like hair (zig zag on the bottom and straight on the top).
3. Slice the tomato then cut 1 round slice in half to create a semicircle for the mouth.
4. Spread your toast with avocado. Add the seaweed hair, olive eyes, slithered almond nose, and tomato mouth.
5. Place one small piece of Danish fetta on each side of the toast for neck bolts.
6. Serve immediately (so the avocado doesn't brown).

Tips: Use scissors to cut the seaweed into zig zags.

Carer's Luncheon and Pamper Session

Friendship Group

The sun came out for Friendship Group this week. It was wonderful to see some new faces from other areas of the school come along and join in. The students were all engaged and enjoyed chatting to each other while they created.

We used air dry clay to make sculptures and Trinket dishes, which we will then paint and decorate in next week's Friendship get together.

We have some great activities planned for the rest of the term. Everyone is always welcome.

Welcome Cat to Room 2!

Room 2 enjoyed playing a game of "The floor is lava" welcoming their new teacher Cat to the class room!

Around the School

Words from the Office

Dear Parents and Carers,

To celebrate carers week the school provided some of our parents/carers with a beautiful lunch that was prepared by our students and served to our families by room 9 and 10 students. We had 8 parents come which was lovely. We hope to see more as the COVID restrictions have eased. A big Thank you to all our students and staff for their contribution to the day. The parents also enjoyed an electronic massage in the chairs.

MOBILE PHONES

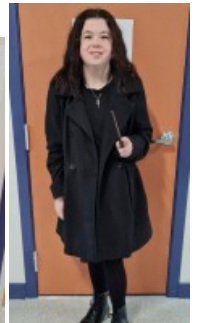

The school is still experiencing difficulties with some students refusing to hand over their phones to the bus chaperones. This policy is a DET policy implemented to ensure that there is no social media bullying or students viewing inappropriate content on their phones whilst they travel on the bus. No student needs a phone at school except for those doing independent work experience placements. It would be appreciated if families could have discussion with their child regarding this. Thanks in advance.

WELCOME AND GOODBYE

We have had some staff changes this term. Heath has decided to move on so he will be replaced with Kate Zerbe and Jason Lee for the rest of the term. We welcome Vicky Eddy as the Teacher in room 3 on Thursdays and Fridays and Rob Cannon as the teacher in Room 7 on Thursdays and Fridays. For the rest of this term. We also Welcome Cat in room 2 for the rest of this year
