Zesty pesto pasta salad

Makes 8 large salads or 16 side salads.

Ingredients:

250g uncooked farfelle pasta, or pasta shells

½ cup (80g) basil pesto

Juice of 1 lemon (4 tablespoons)

2 tomatoes, diced

2 onions, chopped

200g mixed lettuce leaves, coarsely chopped

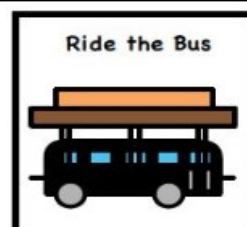

1 x 400g can of chickpeas, drained and rinsed

Method:

1. Cook pasta in a large saucepan of boiling water, according to packet instructions. Drain cooked pasta, and rinse under cold water. Drain and set aside in a large bowl.
2. In a small bowl, combine the basil pesto and lemon juice to make the salad dressing; then gently mix the pesto dressing through the pasta.
3. In a large mixing bowl, combine the pasta (with dressing), and tomato, onion, lettuce and chickpeas.
4. Serve as a main item, or in half-size serves for a tasty side dish.

Friendship Group

Week 6

After our minute of silence, we spent today's Friendship Group making some paper poppies and wreaths. While we did our crafts we had a chat about Remembrance Day and why it's so important to pay our respects to the men, women and animals that served and continue to serve for our country.

Back next week. Same place, same time. New activities each week.
Everyone is welcome and encouraged to join in.

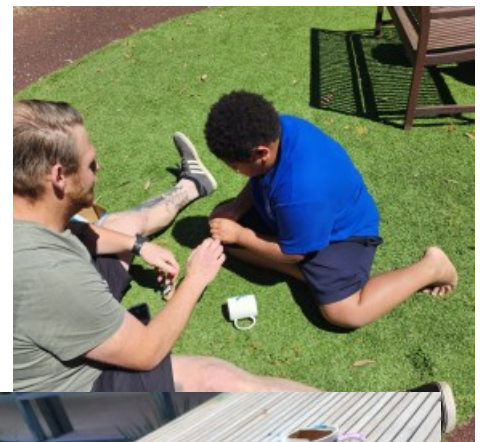

Week 7

These awesome artists spent a sunny recess painting our own ceramic mugs. We had some wonderful ideas of footy colours, batman colours and flowers and stars!

Let's keep our fingers crossed for another sunny day next Friday, so we can enjoy a Teddy Bear Picnic. So make sure you pack a healthy lunchbox and bring a fluffy friend to share.

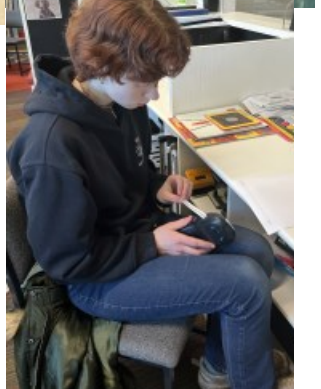

Would love to see some of our older students join in and show our middle and junior students what it means to be a good friend.

Words from the Office

Dear Parents and Carers,

Another busy week here at school with students engaging in their learning.

BUSY BEES IN THE JUNIOR YARD

Last week the Room 1 & 2 students had an exciting real life lesson on how to remove a swarm of bees. The bees had made themselves comfortable in the tree outside their room whilst they sent out "scouts" to find a new home. The bee keeper came in and placed them in a box and took them away. The boys enjoyed the live show.

CLASSES FOR 2023

Classes and staffing for 2023 are currently being finalised. Students, families and staff will know the class groupings for 2023 by the start of December. We have minimised changes for students to compensate for the last three years of disruption. There is a lot of thought and discussion that goes into consideration when working out class groups and staffing arrangements as you can appreciate.
