Friendship Group

Week 8

The weather was kind to us this recess, after a week of rain the sun came out for our Teddy Bear Picnic.

We had a colourful, healthy spread of food to share & some teddy bear activities to do together. We enjoyed meeting each others special fluffy friends. As always, everyone welcome. The more the merrier.

Helping at Foster Kindergarten

As part of the Duke of Ed Program our students are required to do a component of volunteering. Last Friday Room 7 students went to the new Foster Kindergarten and helped set up all of their flat pack furniture. The students did a great job and worked well together as a team!

Grand Ridge Bike Ride

This term we have been doing Bike Ed as a part of the Duke of Ed program under the skill development component. Last week students from room 5 7 and 9 & 10 participated in the Grand Ridge Bike Ride. All the students challenged themselves, the total ride was 26 kms. A number of students completed 13 kms and Wyatt challenged himself by completing 6 kms on his trike. James eventually completed 16 kms after 2 bike malfunctions! It was a fantastic effort by all of our students who now say they want to do 100 kms!
