Words From The Office

Dear Parents /Carers

We have had quite a busy start to the term. Our students are working well in their classrooms.

CHILD SAFE

The South Gippsland Specialist School Child Safety and Wellbeing Policy demonstrates our school's commitment to creating and maintaining a child safe and child-friendly organisation, where children and young people are safe and feel safe. This policy provides an overview of our school's approach to implementing [Ministerial Order 1359](#) (PDF, 363KB) which sets out how the Victorian Child Safe Standards apply in school environments. It informs our school community of everyone's obligations to act safely and appropriately towards children and guides our processes and practices for the safety and wellbeing of students across all areas of our work. The policy has been sent to all families via COMPASS

SCHOOL REVIEW 2024

It's hard to believe that we are up for another school review in term 1 next year. Where did the last 4 years go? The school review process is a wonderful opportunity for the school to look at what the students have achieved and set the next strategic direction for the next 4 years. If anyone has any questions about the process please feel free to contact a member of the leadership team during office hours.

COLOUR DASH

On Friday December 1st, we are participating in a colour dash to celebrate international day for people with disabilities. If any parent/carers would like to help out on that day, please register your interest through the office. We will need helpers to "paint" the students as they complete the circuit. We are also in need of obstacle course items such as hay bales or slip'N"slide mats, big blow up pool toys that the students can step in to. Please contact the school and tell us about your obstacle items prior to discuss to ensure they are appropriate. Students need to wear a white t-shirt. Their Care will be running a BBQ lunch. Please bring \$5 to participate.

BIKE ED

Term 4 is our Bike Ed term for our Physical Education program. The school has purchased some new bikes and had a trailer made up through a VicRoads/TAC Grant. Some students are doing the inter-special school Grand Ridge Ride next month. The swooping magpies are giving the students a hard time.

HAVE A GREAT WEEKEND
