South Gippsland Specialist School

ACCEPTABLE USE OF TECHNOLOGY POLICY

Purpose:

South Gippsland Specialist School uses the internet and digital technologies as valuable resources for teaching and learning. All students must agree to use these resources responsibly at school. Parents/carers should be aware that, while our Internet Service Provider offers a substantial level of filtering, full protection from inappropriate content can never be guaranteed. Cyber safety and responsible online behaviour must be actively promoted – at school and at home.

STUDENT AGREEMENT

When I use the internet and ICT equipment at school, I agree to:

(Please tick each after reading)

- Only use the computers to do what my teachers have asked me to.
- Be a safe and responsible user and always look after the school computer equipment. I will report damage or computer misuse to my teacher.
- Be friendly, be Safe. Be a learner and be Respectful when using ICT.

- Talk to a teacher if I feel uncomfortable or unsafe while I am using a computer or other technology.
- Never write private information about myself or others – like last name, phone numbers or address, unless my teacher says it's ok.
- Only use the login I have been given by my teacher
- Only take photos, video or sound recordings when I have permission by my teacher and the person who is being recorded or photographed..
- I will hand in my personal device to the bus co-ordinator when I get on the bus.
- I will not access social media on school devices
- I will only use the school device allocated to me
- Personal devices need to be handed in to the bus co-ordinator.
- Personal devices carried on the buses to and from school are not to be used to take photos or videos
- If I have use of a school device at home, I will only use it for school work.
- If I use a school device on the bus, I will be respectful of others and use headphones if I am listening to music.

I have read the Acceptable Use Agreement carefully and will follow these rules. I understand that staff may remove student access from ICT equipment if these rules are broken.
