Welcome to TheirCare at South Gippsland Specialist School, where we proudly offer a fully government-funded after-school care program with no out-of-pocket costs for parents. Our commitment to accessibility ensures that all families in our community can access high-quality childcare without financial burden.

Operating Hours: Our after-school care operates from 3:00 PM to 6:00 PM Monday to Friday, providing a structured and engaging environment for students after the school day ends. Please note that we do not operate before school care, and our services are not available on pupil-free days or public holidays. Our administrative office is open daily from 10:00 AM to 6:00 PM to assist parents with inquiries and support.

What We Do: At TheirCare, we focus on nurturing every child's development through a variety of activities. This includes structured homework sessions to support academic learning, recreational play to encourage physical activity and social interaction, creative arts and crafts to stimulate imagination, and supervised free play for relaxation. Our program promotes social skills, independence, and a sense of belonging in a safe and supportive community environment.
